MINISTRY PROGRAMMING OPPORTUNITIES

Programming designed to fit the station - not disrupt it.

Anointed.FM is a professionally programmed gospel radio station serving listeners through carefully curated music and ministry content. Every program is reviewed for content, audio quality, technical compliance and compatibility with the station's format. Acceptance is not guaranteed.

	Up to 5 minutes Daily Scripture readings, devotionals, ministry moments and inspirational thoughts. <i>Custom scheduling and pricing.</i>
	15 minutes Focused Bible teaching, prayer programs, encouragement broadcasts and concise ministry content.
	30 minutes Weekly ministry broadcasts, church programs, interviews and regular teaching ministries.
	60 minutes Full-length teaching, conferences, worship services and special ministry presentations.

RECURRING WEEKLY PLACEMENT

Programming is purchased as a recurring weekly position with a minimum four-week commitment. For example, reserving Monday at 2:00 PM secures every Monday at 2:00 PM during the billing period. Recurring weekly placement receives preferred pricing. Occasional or single broadcasts, when available, are quoted separately at a premium rate.

Pricing is customized according to frequency, daypart and number of daily airings. Examples include daily Scripture readings, devotional moments and brief inspirational features. **Contact Anointed.FM for availability and a custom quote.**

SINGLE OR OCCASIONAL BROADCASTS

One-time or non-recurring broadcasts may be accepted when suitable inventory is available. Because these bookings create additional scheduling and administrative requirements, they are priced above the recurring weekly rate. A custom quote will be provided after review.
